Michelle -- Yes, we will take what is available on Lauris' calendar, so we can move forward this week. Thanks for the heads up.

Lauris -- I have attached the letter we hope you will be comfortable signing by the end of the week and some background information we can walk through on Thursday. This letter has been shared with OECA and OGC. Tony intends to give the RA/DRA a heads up this week about the letter and next steps.

Hi Jeff,

A conflict just came up on Lauris' calendar and she will need to cut this meeting down to 30 minutes and have briefing materials beforehand. Will this be possible?

Thanks,
